CHAIRMAN'S MESSAGE

Welcome To All Members,

I am sorry to say that I was unable to make the June meeting due to sickness, but I am over it now. I understand the speaker from RBS was well received and a number of members were impressed with the little 'Stockade' device he showed.

On Saturday 18th June a number of members attended the first St. Peter's Church Car Show in Harold Wood. This was sponsored by Allen Ford and Harold Wood Audi. Read the report inside this newsletter, however, it must be said that we again won the "Best Club Display" trophy as shown on the top of this page. That's six trophies so far for the club. It's a pity we can't display them in a trophy cabinet but I will be keeping them safe until a more permanent home is found. Thanks to all who participated in the show and helped put the stand together.

As I write this message, we have the Chartwell visit looming up on Sunday 26th June. More on this in next month's newsletter.

We also are attending the Matching Green Car Show on Sunday 3rd July and we really need to build up the numbers, so if the weather is fine and you are not doing anything, come along and join us on our pitch. I am hopeful we have a big enough pitch for all those wishing to attend.

We have the Cressing Temple car show on Sunday 17th July and I need to get the numbers in by Club night on the 5th July. Please confirm a.s.a.p.

Finally, I have to report that we now have reconciled the members' lists and we now currently have 90 members. Each month we are adding new members by various means. Also, the amount of newsletters being sent out in the post has halved since I first took over producing the newsletter due to the use of e-mail accounts. This is really saving the club money, which then helps us to purchase items for our stand at shows. Well done to all involved in making this happen.

LES PAULS JAGUAR

The main dealer alternative where quality costs less

1966 Jaguar S Type 3.8 Auto, Sherwood Green with green leather interior, CWW, electronic ignition, alternator and power steering updated, reconditioned Whitehouse gearbox. It has been changed over to negative earth and the dynamo replaced with an alternator to cope with modern traffic conditions. Power steering has been upgraded to XJ6. Reconditioned gearbox installed in 2006. Comprehensive service history. I have owned this car in excess of ten years. Full maintenance history held for the past 25 years. Ownership details known for last 30+ years. MOT expires December 2011. £NIL Road Fund Tax. It is in excellent condition. For details call Peter on (days) **01702 200700. £10,750**

**CRESSING TEMPLE CAR & MOTORCYCLE SHOW
SUNDAY 17 JULY 2011, 11am to 4pm**

Visitors will be able to experience the sights, sounds and thrills of more than 200 cars and motorcycles from the past 100 years. The show will also feature a range of interactive events and activities including the Downhome Jazz Band, driving challenges on an F1 racing simulator and special performances by 1940s-themed dancers. Visitors will also be able to see a replica of the Silver bird wartime plane. Food and drink stalls will be selling strawberries & cream, a hog roast & beer, while car devotees will be catered for through auto-jumble stalls. A car parade will finish the day's events and will feature a selection of vintage, classic and modern cars in action as they take part in a parade around the grounds. County Councillor Jeremy Lucas, Cabinet Member for Environment and Culture, said: "The Essex County Car and Motorcycle Show is one of the highlights of my year. It's brimming with all the things a motor show should have, with more than 200 cars to see. "With cars, entertainment and shows for adults and interactive activities for the children, this event promises to be a great day out for the whole family." Della Nixon, Events and Booking Officer at Cressing Temple, said: "We have an exceptional line-up this year from rare vintage cars, to a replica of the Silver bird. The selection of displays, activities and entertainment will make this year's show extra special. Any member wishing to join in the fun to contact Doug Warren immediately. We want to display the 'E'-Type on our stand to celebrate the 50 years of the model, so any member that can assist with displaying their 'pride and joy' would greatly be appreciated. At present we have no limit of tickets but I do need to know numbers by 6th July, so that ticket allocation can be obtained.

ST. PETER'S CHURCH CAR SHOW

On Saturday 18 June a number of members braved the expected deluge and attended the first St. Peter's Church Car Show in Harold Wood, Essex. The previous day it rained continuously, so our expectations for Saturday wasn't that great. The early morning forecast indicated rain/showers at 1pm and then 3pm. *Wrong!!* We had a shower at around midday and at 2pm, it really went black. Members were watching this big black cloud in the sky and sure enough when it got overhead, the heavens open up. Fortunately we had the club's gazebo up, so we all took shelter. After 20 minutes, the sun came through and we were out drying our cars off as can be seen in the pictures. Just after 3pm, the organisers announced the winners of various car categories, including "*Best Stand*". I am proud to say we have done it again and won the "*Best Stand of the day*" award - Already added to the front of this newsletter!! Our awards are mounting up and we will soon have to get a display cabinet at our Club meeting point!!!
